

TO WHOMSOEVER IT MAY CONCERN

January 30, 2007

This is to confirm that we have procured and used the following electro magnetic flow meters from M/s Manas Microsystems Pvt. Ltd., Pune, for one of our Sewage gas to power project, installed at Surat Municipal Corporation to measure flow of biogas and sewage sludge, respectively.

Description of item	Model No.	Suitable for line size	Instrument Sl. No.	Remarks
Electro-magnetic flow meter	MS-12	DN 150	04040069	For biogas application
Electro-magnetic flow meter	MS-13	DN 200	08040236	For sludge flow indication

We also confirm that the above flow meters have been working satisfactorily since installation and commissioning, i.e. from October 2004.
